Permitted Codes of Data elements

List of permitted codes of data elements / code lists

0001   Syntax identifier

Code	Name/Description
UNOA	UN/ECE level A As defined in the basic code table of ISO 646 with the exceptions of lower case letters, alternative graphic character allocations and national or application-oriented graphic character allocations.

0002   Syntax version number

Code	Name/Description
1	Version 1 ISO 9735:1988.

0007   Identification code qualifier

Code	Name/Description
ZZZ	Mutually defined Self explanatory.

0051   Controlling agency, coded

Code	Name/Description
AA	EDICONSTRUCT French construction project.
AB	DIN (Deutsches Institut fuer Normung) German standardization institute.
AC	ICS (International Chamber of Shipping) Self explanatory.
AD	UPU (Union Postale Universelle) Universal Postal Union.
AE	United Kingdom ANA (Article Numbering Association) Identifies the Article Numbering Association of the United Kingdom.
AF	ANSI ASC X12 (American National Standard Institute Accredited Standards Committee X12) Identifies the United States electronic data interchange standards body.
AG	US DoD (United States Department of Defense) The United States Department of Defense is the entity controlling the message specification.
AH	US Federal Government The United States Federal Government is the entity controlling the message specification.
CC	CCC (Customs Co-operation Council) Self explanatory.

CE	CEFIC (Conseil Europeen des Federations de l'Industrie Chimique) EDI project for chemical industry.
EC	EDICON UK Construction project.
ED	EDIFICE (Electronic industries project) EDI Forum for companies with Interest in Computing and Electronics (EDI project for EDP/ADP sector).
EE	EC + EFTA (European Communities and European Free Trade Association) Self explanatory.
EN	EAN (European Article Numbering Association) Self explanatory.
ER	UIC (International Union of railways) European railways.
EU	European Union Self explanatory.
EW	UN/EDIFACT Working Group (EWG) United Nations working group responsible for UN/EDIFACT (United Nations, Electronic Data Interchange for Administration, Commerce and Transport).
EX	IECC (International Express Carriers Conference) Self explanatory.
IA	IATA (International Air Transport Association) Self explanatory.
KE	KEC (Korea EDIFACT Committee) Self explanatory.
LI	LIMNET UK Insurance project.
OD	ODETTE (Organization for Data Exchange through Tele-Transmission in Europe) European automotive industry project.
RI	RINET (Reinsurance and Insurance Network) Self explanatory.
RT	UN/ECE/TRADE/WP.4/GE.1/EDIFACT Rapporteurs' Teams United Nations Economic UN Economic Commission for Europe (UN/ECE), Committee on the development of trade (TRADE), Working Party on facilitation of international trade procedures (WP.4), Group of Experts on data elements and automatic data interchange (GE.1), EDIFACT Rapporteurs' Teams.
UN	UN/CEFACT United Nations Centre for the Facilitation of procedures and practices for Administration, Commerce and Transport (UN/CEFACT).

0052 Message version number

Code	Name/Description
1	Status 1 version Message approved and issued as a status 1 (trial) message. (Valid for directories published after March 1990 and prior to March 1993).
2	Status 2 version Message approved and issued as a status 2 (formal recommendation) message. (Valid for

directories published after March 1990 and prior to March 1993).

4	Service message, version 4
	Service messages approved and issued as a part of ISO 9735/Version 4, for use with that version of the syntax (Note, for earlier versions of the UN/EDIFACT AUTACK and CONTRL messages published by the UN as stand-alone messages, the version number to be used is specified in the message documentation).
88	1988 version
	Message approved and issued in the 1988 release of the UNTDID (United Nations Trade Data Interchange Directory) as a status 2 (formal recommendation) message.
89	1989 version
	Message approved and issued in the 1989 release of the UNTDID (United Nations Trade Data Interchange Directory) as a status 2 (formal recommendation) message.
90	1990 version
	Message approved and issued in the 1990 release of the UNTDID (United Nations Trade Data Interchange Directory) as a status 2 (formal recommendation) message.
D	Draft version/UN/EDIFACT Directory
	Message approved and issued as a draft message (Valid for directories published after March 1993 and prior to March 1997). Message approved as a standard message (Valid for directories published after March 1997).
S	Standard version
	Message approved and issued as a standard message. (Valid for directories published after March 1993 and prior to March 1997).

0054   Message release number

Code	Name/Description
1	First release
	User message approved and issued in the first release of the year of the UNTDID (United Nations Trade Data Interchange Directory); valid for directories published prior to March 1990. Service message approved and issued as the first release of the message within a version of ISO 9735; valid for version 4 of IS0 9735 and later.
2	Second release
	User message approved and issued in the second release of the year of the UNTDID (United Nations Trade Data Interchange Directory); valid for directories published prior to March 1990. Service message approved and issued as the second release of the message within a version of ISO 9735; valid for version 4 of IS0 9735 and later.
902	Trial release 1990
	Message approved and issued in the 1990 status 1 (trial) release of the UNTDID (United Nations Trade Data Interchange Directory).
911	Trial release 1991
	Message approved and issued in the 1991 status 1 (trial) release of the UNTDID (United Nations Trade Data Interchange Directory).
912	Standard release 1991
	Message approved and issued in the 1991 status 2 (standard) release of the UNTDID (United Nations Trade Data Interchange Directory).
921	Trial release 1992
	Message approved and issued in the 1992 status 1 (trial) release of the UNTDID (United Nations Trade Data Interchange Directory).
932	Standard release 1993
	Message approved and issued in the 1993 status 2 (standard) release of the UNTDID (United

Nations Trade Data Interchange Directory).

93A	Release 1993 - A Message approved and issued in the 1993 release of the UNTDID (United Nations Trade Data Interchange Directory).
94A	Release 1994 - A Message approved and issued in the first 1994 release of the UNTDID (United Nations Trade Data Interchange Directory).
94B	Release 1994 - B Message approved and issued in the second 1994 release of the UNTDID (United Nations Trade Data Interchange Directory).
95A	Release 1995 - A Message approved and issued in the first 1995 release of the UNTDID (United Nations Trade Data Interchange Directory).
95B	Release 1995 - B Message approved and issued in the second 1995 release of the UNTDID (United Nations Trade Data Interchange Directory).
96A	Release 1996 - A Message approved and issued in the first 1996 release of the UNTDID (United Nations Trade Data Interchange Directory).
96B	Release 1996 - B Message approved and issued in the second 1996 release of the UNTDID (United Nations Trade Data Interchange Directory).
97A	Release 1997 - A Message approved and issued in the first 1997 release of the UNTDID (United Nations Trade Data Interchange Directory).
97B	Release 1997 - B Message approved and issued in the second 1997 release of the UNTDID (United Nations Trade Data Interchange Directory).
98A	Release 1998 - A Message approved and issued in the first 1998 release of the UNTDID (United Nations Trade Data Interchange Directory).
98B	Release 1998 - B Message approved and issued in the second 1998 release of the UNTDID (United Nations Trade Data Interchange Directory).
99A	Release 1999 - A Message approved and issued in the first 1999 release of the UNTDID (United Nations Trade Data Interchange Directory).
99B	Release 1999 - B Message approved and issued in the second 1999 release of the UNTDID (United Nations Trade Data Interchange Directory).

0065 Message type

Code	Name/Description
APERAK	Application error and acknowledgement message A code to identify the application error and acknowledgement message.
AUTACK	Secure authentication and acknowledgement message A code to identify the secure authentication and acknowledgement message.

AUTHOR	Authorization message	A code to identify the authorization message.
AVLREQ	Availability request - interactive message	A code to identify the availability request - interactive message.
AVLRSP	Availability response - interactive message	A code to identify the availability response - interactive message.
BALANC	Balance message	A code to identify the balance message.
BANSTA	Banking status message	A code to identify the banking status message.
BAPLIE	Bayplan/stowage plan occupied and empty locations message	A code to identify the bayplan/stowage plan occupied and empty locations message.
BAPLTE	Bayplan/stowage plan total numbers message	A code to identify the bayplan/stowage plan total numbers message.
BMISRM	Bulk marine inspection summary report message	A code to identify the bulk marine inspection summary report message.
BOPBNK	Bank transactions and portfolio transactions report message	A code to identify the bank transactions and portfolio transactions report message.
BOPCUS	Balance of payment customer transaction report message	A code to identify the balance of payment customer transaction report message.
BOPDIR	Direct balance of payment declaration message	A code to identify the direct balance of payment declaration message.
BOPINF	Balance of payment information from customer message	A code to identify the balance of payment information from customer message.
BUSCRD	Business credit report message	A code to identify the business credit report message.
CALINF	Vessel call information message	A code to identify the vessel call information message.
CASINT	Request for legal administration action in civil proceedings message	A code to identify the request for legal administration action in civil proceedings message.
CASRES	Legal administration response in civil proceedings message	A code to identify the legal administration response in civil proceedings message.
CHACCO	Chart of accounts message	A code to identify the chart of accounts message.
CLASET	Classification information set message	A code to identify the classification information set message.
CNTCND	Contractual conditions message	A code to identify the contractual conditions message.
COACSU	Commercial account summary message	A code to identify the commercial account summary message.
COARRI	Container discharge/loading report message	A code to identify the container discharge/loading report message.
CODECO	Container gate-in/gate-out report message	A code to identify the container gate-in/gate-out report message.
CODENO	Permit expiration/clearance ready notice message	

	A code to identify the permit expiration/clearance ready notice message.
COEDOR	Container stock report message A code to identify the container stock report message.
COHAOR	Container special handling order message A code to identify the container special handling order message.
COLREQ	Request for a documentary collection message A code to identify the request for a documentary collection message.
COMDIS	Commercial dispute message A code to identify the commercial dispute message.
CONAPW	Advice on pending works message A code to identify the advice on pending works message.
CONDPV	Direct payment valuation message A code to identify the direct payment valuation message.
CONDRA	Drawing administration message A code to identify the drawing administration message.
CONDRO	Drawing organisation message A code to identify the drawing organisation message.
CONEST	Establishment of contract message A code to identify the establishment of contract message.
CONITT	Invitation to tender message A code to identify the invitation to tender message.
CONPVA	Payment valuation message A code to identify the payment valuation message.
CONQVA	Quantity valuation message A code to identify the quantity valuation message.
CONRPW	Response of pending works message A code to identify the response of pending works message.
CONTEN	Tender message A code to identify the tender message.
CONTRL	Syntax and service report message A code to identify the syntax and service report message.
CONWQD	Work item quantity determination message A code to identify the work item quantity determination message.
COPARN	Container announcement message A code to identify the container announcement message.
COPAYM	Contributions for payment A code to identify the contributions for payment.
COPINO	Container pre-notification message A code to identify the container pre-notification message.
COPRAR	Container discharge/loading order message A code to identify the container discharge/loading order message.
COREOR	Container release order message A code to identify the container release order message.
COSTCO	Container stuffing/stripping confirmation message A code to identify the container stuffing/stripping confirmation message.

COSTOR	Container stuffing/stripping order message	A code to identify the container stuffing/stripping order message.
CREADV	Credit advice message	A code to identify the credit advice message.
CREEXT	Extended credit advice message	A code to identify the extended credit advice message.
CREMUL	Multiple credit advice message	A code to identify the multiple credit advice message.
CUSCAR	Customs cargo report message	A code to identify the customs cargo report message.
CUSDEC	Customs declaration message	A code to identify the customs declaration message.
CUSEXP	Customs express consignment declaration message	A code to identify the customs express consignment declaration message.
CUSPED	Periodic customs declaration message	A code to identify the periodic customs declaration message.
CUSREP	Customs conveyance report message	A code to identify the customs conveyance report message.
CUSRES	Customs response message	A code to identify the customs response message.
DEBADV	Debit advice message	A code to identify the debit advice message.
DEBMUL	Multiple debit advice message	A code to identify the multiple debit advice message.
DEBREC	Debts recovery message	A code to identify the debts recovery message.
DELFOR	Delivery schedule message	A code to identify the delivery schedule message.
DELJIT	Delivery just in time message	A code to identify the delivery just in time message.
DESADV	Despatch advice message	A code to identify the despatch advice message.
DESTIM	Equipment damage and repair estimate message	A code to identify the equipment damage and repair estimate message.
DGRECA	Dangerous goods recapitulation message	A code to identify the dangerous goods recapitulation message.
DIRDEB	Direct debit message	A code to identify the direct debit message.
DIRDEF	Directory definition message	A code to identify the directory definition message.
DMRDEF	Data maintenance request definition message	A code to identify the data maintenance request definition message.
DMSTAT	Data maintenance status report/query message	A code to identify the data maintenance status report/query message.
DOCADV	Documentary credit advice message	

A code to identify the documentary credit advice message.

DOCAMA	Advice of an amendment of a documentary credit message A code to identify the advice of an amendment of a documentary credit message.
DOCAMI	Documentary credit amendment information message A code to identify the documentary credit amendment information message.
DOCAMR	Request for an amendment of a documentary credit message A code to identify the request for an amendment of a documentary credit message.
DOCAPP	Documentary credit application message A code to identify the documentary credit application message.
DOCARE	Response to an amendment of a documentary credit message A code to identify the response to an amendment of a documentary credit message.
DOCINF	Documentary credit issuance information message A code to identify the documentary credit issuance information message.
ENTREC	Accounting entries message A code to identify the accounting entries message.
FINCAN	Financial cancellation message A code to identify the financial cancellation message.
FINPAY	Multiple interbank funds transfer message A code to identify the multiple interbank funds transfer message.
FINSTA	Financial statement of an account message A code to identify the financial statement of an account message.
GENRAL	General purpose message A code to identify the general purpose message.
GESMES	Generic statistical message A code to identify the generic statistical message.
HANMOV	Cargo/goods handling and movement message A code to identify the cargo/goods handling and movement message.
IFCSUM	Forwarding and consolidation summary message A code to identify the forwarding and consolidation summary message.
IFTCCA	Forwarding and transport shipment charge calculation message A code to identify the forwarding and transport shipment charge calculation message.
IFTDGN	Dangerous goods notification message A code to identify the dangerous goods notification message.
IFTFCC	International transport freight costs and other charges message A code to identify the international transport freight costs and other charges message.
IFTIAG	Dangerous cargo list message A code to identify the dangerous cargo list message.
IFTMAN	Arrival notice message A code to identify the arrival notice message.
IFTMBC	Booking confirmation message A code to identify the booking confirmation message.
IFTMBF	Firm booking message A code to identify the firm booking message.
IFTMBP	Provisional booking message A code to identify the provisional booking message.

IFTMCA	Consignment advice message
	A code to identify the consignment advice message.

IFTMCS	Instruction contract status message
	A code to identify the instruction contract status message.

IFTMIN	Instruction message
	A code to identify the instruction message.

IFTRIN	Forwarding and transport rate information message
	A code to identify the forwarding and transport rate information message.

IFTSAI	Forwarding and transport schedule and availability information message
	A code to identify the forwarding and transport schedule and availability information message.

IFTSTA	International multimodal status report message
	A code to identify the international multimodal status report message.

IFTSTQ	International multimodal status request message
	A code to identify the international multimodal status request message.

IHCLME	Health care claim or encounter request and response - interactive message
	A code to identify the health care claim or encounter request and response - interactive message.

IMPDEF	EDI implementation guide definition message
	A code to identify the EDI implementation guide definition message.

INFENT	Enterprise accounting information message
	A code to identify the enterprise accounting information message.

INSDES	Instruction to despatch message
	A code to identify the instruction to despatch message.

INSPRE	Insurance premium message
	A code to identify the insurance premium message.

INSREQ	Inspection request message
	A code to identify the inspection request message.

INSRPT	Inspection report message
	A code to identify the inspection report message.

INVOIC	Invoice message
	A code to identify the invoice message.

INVRPT	Inventory report message
	A code to identify the inventory report message.

IPPOMO	Motor insurance policy message
	A code to identify the motor insurance policy message.

ITRRPT	In transit report detail message
	A code to identify the in transit report detail message.

JAPRES	Job application result message
	A code to identify the job application result message.

JINFDE	Job information demand message
	A code to identify the job information demand message.

JOBAPP	Job application proposal message
	A code to identify the job application proposal message.

JOBCON	Job order confirmation message
	A code to identify the job order confirmation message.

JOBMOD	Job order modification message A code to identify the job order modification message.	
JOBOFF	Job order message A code to identify the job order message.	
JUPREC	Justified payment request message A code to identify the justified payment request message.	
KEYMAN	Security key and certificate management message A code to identify the security key and certificate management message.	
LEDGER	Ledger message A code to identify the ledger message.	
LREACT	Life reinsurance activity message A code to identify the life reinsurance activity message.	
LRECLM	Life reinsurance claims message A code to identify the life reinsurance claims message.	
MEDPID	Person identification message A code to identify the person identification message.	
MEDPRE	Medical prescription message A code to identify the medical prescription message.	
MEDREQ	Medical service request message A code to identify the medical service request message.	
MEDRPT	Medical service report message A code to identify the medical service report message.	
MEDRUC	Medical resource usage and cost message A code to identify the medical resource usage and cost message.	
MEQPOS	Means of transport and equipment position message A code to identify the means of transport and equipment position message.	
MOVINS	Stowage instruction message A code to identify the stowage instruction message.	
MSCONS	Metered services consumption report message A code to identify the metered services consumption report message.	
ORDCHG	Purchase order change request message A code to identify the purchase order change request message.	
ORDERS	Purchase order message A code to identify the purchase order message.	
ORDRSP	Purchase order response message A code to identify the purchase order response message.	
OSTENQ	Order status enquiry message A code to identify the order status enquiry message.	
OSTRPT	Order status report message A code to identify the order status report message.	
PARTIN	Party information message A code to identify the party information message.	
PASREQ	Travel, tourism and leisure product application status request - interactive message A code to identify the travel, tourism and leisure product application status request - interactive message.	

PASRSP	Travel, tourism and leisure product application status response - interactive message	
	A code to identify the travel, tourism and leisure product application status response - interactive message.	
PAXLST	Passenger list message	
	A code to identify the passenger list message.	
PAYDUC	Payroll deductions advice message	
	A code to identify the payroll deductions advice message.	
PAYEXT	Extended payment order message	
	A code to identify the extended payment order message.	
PAYMUL	Multiple payment order message	
	A code to identify the multiple payment order message.	
PAYORD	Payment order message	
	A code to identify the payment order message.	
PRICAT	Price/sales catalogue message	
	A code to identify the price/sales catalogue message.	
PRIHIS	Pricing history message	
	A code to identify the pricing history message.	
PROCST	Project cost reporting message	
	A code to identify the project cost reporting message.	
PRODAT	Product data message	
	A code to identify the product data message.	
PRODEX	Product exchange reconciliation message	
	A code to identify the product exchange reconciliation message.	
PROINQ	Product inquiry message	
	A code to identify the product inquiry message.	
PROTAP	Project tasks planning message	
	A code to identify the project tasks planning message.	
PRPAID	Insurance premium payment message	
	A code to identify the insurance premium payment message.	
QALITY	Quality data message	
	A code to identify the quality data message.	
QUOTES	Quote message	
	A code to identify the quote message.	
RDRMES	Raw data reporting message	
	A code to identify the raw data reporting message.	
REBORD	Reinsurance bordereau message	
	A code to identify the reinsurance bordereau message.	
RECADV	Receiving advice message	
	A code to identify the receiving advice message.	
RECALC	Reinsurance calculation message	
	A code to identify the reinsurance calculation message.	
RECECO	Credit risk cover message	
	A code to identify the credit risk cover message.	
RECLAM	Reinsurance claims message	
	A code to identify the reinsurance claims message.	

REGENT	Registration of enterprise message	
	A code to identify the registration of enterprise message.	
REMADV	Remittance advice message	
	A code to identify the remittance advice message.	
REPREM	Reinsurance premium message	
	A code to identify the reinsurance premium message.	
REQDOC	Request for document message	
	A code to identify the request for document message.	
REQOTE	Request for quote message	
	A code to identify the request for quote message.	
RESETT	Reinsurance settlement message	
	A code to identify the reinsurance settlement message.	
RESMSG	Reservation message	
	A code to identify the reservation message.	
RESREQ	Reservation request - interactive message	
	A code to identify the reservation request - interactive message.	
RESRSP	Reservation response - interactive message	
	A code to identify the reservation response - interactive message.	
RETACC	Reinsurance technical account message	
	A code to identify the reinsurance technical account message.	
RETANN	Announcement for returns message	
	A code to identify the announcement for returns message.	
RETINS	Instruction for returns message	
	A code to identify the instruction for returns message.	
SAFHAZ	Safety and hazard data message	
	A code to identify the safety and hazard data message.	
SANCRT	International movement of goods governmental regulatory message	
	A code to identify the international movement of goods governmental regulatory message.	
SLSFCT	Sales forecast message	
	A code to identify the sales forecast message.	
SLSRPT	Sales data report message	
	A code to identify the sales data report message.	
SOCADE	Social administration message	
	A code to identify the social administration message.	
SSIMOD	Modification of identity details message	
	A code to identify the modification of identity details message.	
SSRECH	Worker's insurance history message	
	A code to identify the worker's insurance history message.	
SSREGW	Notification of registration of a worker message	
	A code to identify the notification of registration of a worker message.	
STATAC	Statement of account message	
	A code to identify the statement of account message.	
STLRPT	Settlement transaction reporting message	
	A code to identify the settlement transaction reporting message.	
SUPCOT	Superannuation contributions advice message	

A code to identify the superannuation contributions advice message.

SUPMAN	Superannuation maintenance message A code to identify the superannuation maintenance message.
SUPRES	Supplier response message A code to identify the supplier response message.
TANSTA	Tank status report message A code to identify the tank status report message.
TAXCON	Tax control message A code to identify the tax control message.
TIQREQ	Travel, tourism and leisure information inquiry request - interactive message A code to identify the travel, tourism and leisure information inquiry request - interactive message.
TIQRSP	Travel, tourism and leisure information inquiry response - interactive message A code to identify the travel, tourism and leisure information inquiry response - interactive message.
VATDEC	Value added tax message A code to identify the value added tax message.
VESDEP	Vessel departure message A code to identify the vessel departure message.
WASDIS	Waste disposal information message A code to identify the waste disposal information message.
WKGRDC	Work grant decision message A code to identify the work grant decision message.
WKGRRE	Work grant request message A code to identify the work grant request message.

1001 Document name code

Code	Name/Description
35	Inventory report A message specifying information relating to held inventories.

1153 Reference function code qualifier

Code	Name/Description
AWE	Cost centre A number identifying a cost centre.

1225 Message function code

Code	Name/Description
9	Original Initial transmission related to a given transaction.

2005 Date/time/period function code qualifier

Code	Name/Description
2	Delivery date/time, requested Date on which buyer requests goods to be delivered.
3	Invoice date/time [2376] Date when a Commercial Invoice is issued.
4	Order date/time [2010] Date when an order is issued.
7	Effective date/time Date and/or time at which specified event or document becomes effective.
8	Order received date/time Date/time when the purchase order is received by the seller.
9	Processing date/time Date/time of processing.
10	Shipment date/time, requested Date on which goods should be shipped or despatched by the supplier.
11	Despatch date and or time (2170) Date/time on which the goods are or are expected to be despatched or shipped.
12	Terms discount due date/time Date by which payment should be made if discount terms are to apply.
13	Terms net due date Date by which payment must be made.
14	Payment date/time, deferred Date/time when instalments are due.
15	Promotion start date/time Date/time when promotion activities begin.
16	Promotion end date/time Date/time when promotion activities end.
17	Delivery date/time, estimated Date and/or time when the shipper of the goods expects delivery will take place.
18	Installation date/time/period Self explanatory.
20	Cheque date/time Date/time when cheque is issued.
21	Charge back date/time Description to be provided.
22	Freight bill date/time Date/time when freight bill is issued.
35	Delivery date/time, actual Date/time on which goods or consignment are delivered at their destination.
36	Expiry date Date of expiry of the validity of a referenced document, price information or any other referenced data element with a limited validity period.
37	Ship not before date/time Goods should not be shipped before given date/time.
	Ship not later than date/time

38
Date/time by which the goods should have been shipped.

39
Ship week of date
Date identifying the week during which goods should be shipped.

42
Superseded date/time
Date/time being overlaid by a date given elsewhere.

44
Availability
Date/time when received item is available.

45
Compilation date and time
Date and time of the compilation.

46
Cancellation date
Date on which a document or message has been cancelled.

47
Statistical time series date
Date for statistical time series purposes.

48
Duration
Duration.

49
Deliver not before and not after dates
Deliver not before and not after a specific date range.

50
Goods receipt date/time
Date/time upon which the goods were received by a given party.

51
Cumulative quantity start date
First Date for accumulation of delivery quantities.

52
Cumulative quantity end date
Last Date for accumulation of delivery quantities.

53
Buyer's local time
Time at the buyer's location.

54
Seller's local time
Time at the seller's location.

55
Confirmed date/time
Date/time which has been confirmed.

58
Clearance date (Customs)
(3080) Date on which Customs formalities necessary to allow goods to be exported, to enter home use, or to be placed under another Customs procedure has been accomplished (CCC).

59
Inbound movement authorization date
Inland movement authorization date.

60
Engineering change level date
Date the engineering level of goods is changed.

61
Cancel if not delivered by this date
Self explanatory.

63
Delivery date/time, latest
Date identifying a point of time after which goods shall not or will not be delivered.

64
Delivery date/time, earliest
Date identifying a point in time before which the goods shall not be delivered.

65
Delivery date/time, 1st schedule
Self explanatory.

Delivery date/time, current schedule

67	Delivery Date deriving from actual schedule.
69	Delivery date/time, promised for [2138] Date by which, or period within which, the merchandise should be delivered to the buyer, as agreed between the seller and the buyer (generic term).
71	Delivery date/time, requested for (after and including) Delivery is requested to happen after or on given date.
72	Delivery date/time, promised for (after and including) Delivery might take place earliest at given date.
74	Delivery date/time, requested for (prior to and including) Delivery is requested to happen prior to or including the given date.
75	Delivery date/time, promised for (prior to and including) Delivery might take place latest at given date.
76	Delivery date/time, scheduled for Self explanatory.
79	Shipment date/time, promised for Shipment might happen at given date/time.
81	Shipment date/time, requested for (after and including) Shipment should happen earliest at given date.
84	Shipment date/time, requested for (prior to and including) Shipment should take place latest at given date.
85	Shipment date/time, promised for (prior to and including) Shipment might take place latest at given date.
89	Inquiry date Self explanatory.
90	Report start date Self explanatory.
91	Report end date Self explanatory.
92	Contract effective date Date when a contract becomes valid.
93	Contract expiry date Date when a contract expires.
94	Production/manufacture date Date on which goods are produced.
95	Bill of lading date Date as specified on the bill of lading.
96	Discharge date/time Date/time when goods should, might or have been discharged from the means of transport.
97	Transaction creation date Self explanatory.
101	Production date, no schedule established as of Date as of there is no valid production schedule.
107	Deposit date/time Self explanatory.
	Postmark date/time

108	Self explanatory.
109	Receive at lockbox date | The date on which a financial institution, serving as collection agency for a company located in another part of the country, collects an amount of money on behalf of that company.
110	Ship date, originally scheduled | The date on which the shipment of goods was originally scheduled.
111	Manifest/ship notice date | The date of issuance of a manifest or ship notice.
112	First interest-bearing date The first date from which interest is borne.
113	Sample required date Date as of a sample has to be available customer defined.
114	Tooling required date Date as of a tool has to be available customer defined.
115	Sample available date Date as of a sample will be available seller defined.
116	Equipment return period, expected Period until which equipment is expected to be hired.
117	Delivery date/time, first First possible date/time for delivery.
118	Cargo booking confirmed date/time Date/time at which the cargo booking has been accepted by the carrier.
119	Test completion date Date when a test has been completed.
120	Last interest-bearing date The last date from which interest is borne.
121	Entry date Date of entry.
122	Contract completion date The date a contract is completed.
123	Documentary credit expiry date/time The latest date/time for presentation of the documents to the bank where the credit expires.
124	Despatch note date [2218] Date when a Despatch Note is issued.
125	Import licence date [2292] Date when Import Licence is issued.
126	Contract date [2326] Date when a Contract is agreed.
127	Previous report date Date of the previous report.
128	Delivery date/time, last Date when the last delivery should be or has been accomplished.
129	Exportation date Date when imported vessel/merchandise last left the country of export for the country of import.
	Current report date

130	Date of the current report.
131	Tax point date Date on which tax is due or calculated.
132	Arrival date/time, estimated (2348) Date/time when carrier estimates that a means of transport should arrive at the port of discharge or place of destination.
133	Departure date/time, estimated Date/time when carrier estimates that a means of transport should depart at the place of departure.
134	Rate of exchange date/time Date/time on which the exchange rate was fixed.
135	Telex date Date identifying when a telex message was sent.
136	Departure date/time [2280] Date (and time) of departure of means of transport.
137	Document/message date/time (2006) Date/time when a document/message is issued. This may include authentication.
138	Payment date [2034] Date on which an amount due is made available to the creditor, in accordance with the terms of payment.
140	Payment due date Date/time at which funds should be made available.
141	Presentation date of Goods declaration (Customs) [2032] Date on which a Goods declaration is presented or lodged with Customs.
142	Labour wage determination date The date a labour wage is determined.
143	Acceptance date/time of goods [2126] Date on which the goods are taken over by the carrier at the place of acceptance (CMR 4).
144	Quota date Date that the quota applies to.
145	Event date A date specifying an event.
146	Entry date, estimated (Customs) Date on which the official date of Customs entry is anticipated.
147	Expiry date of export licence [2078] Date of expiry of the validity of an Export Licence.
148	Acceptance date of Goods declaration (Customs) [2036] Date on which a Goods declaration is accepted by Customs in accordance with Customs legislation.
149	Invoice date, required Date required for invoice issue.
150	Declaration/presentation date Date when item has been or has to be declared/presented.
151	Importation date Date on which goods are imported, as determined by the governing Customs administration.

152	Exportation date for textiles
	Date when imported textiles last left the country of origin for the country of importation.

153	Cancellation date/time, latest
	The latest date/time on which cancellation of the payment order may be requested.

154	Acceptance date of document
	| The date on which a document was accepted.

155	Accounting period start date
	Self explanatory.

156	Accounting period end date
	Self explanatory.

157	Validity start date
	Self explanatory.

158	Horizon start date
	The first date of a period forming a horizon.

159	Horizon end date
	The last date of a period forming a horizon.

160	Authorization date
	Date when an authorization was given.

161	Release date of customer
	Date the customer authorised the goods' release.

162	Release date of supplier
	Date when the supplier released goods.

163	Processing start date/time
	Date/Time when a specific process starts.

164	Processing end date/time
	Date/Time when a specific process ends.

165	Tax period start date
	Date when a tax period begins.

166	Tax period end date
	Date when a tax period ends.

167	Charge period start date
	The charge period's first date.

168	Charge period end date
	The charge period's last date.

169	Lead time
	Time required between order entry till earliest goods delivery.

170	Settlement due date
	More generic than 'payment due date' and therefore more apt for reinsurance/insurance business.

171	Reference date/time
	Date/time on which the reference was issued.

172	Hired from date
	Date from which an item has been or will be hired.

173	Hired until date
	Date until which an item has been or will be hired.

174	Advise after date/time The information must be advised after the date/time indicated.
175	Advise before date/time The information must be advised before the date/time indicated.
176	Advise completed date/time The advise has been completed at the date indicated.
177	Advise on date/time The information must be advised on the date/time indicated.
178	Arrival date/time, actual [2106] Date (and time) of arrival of means of transport.
179	Booking date/time Date at which the booking was made.
180	Closing date/time Final date for delivering cargo to a liner ship.
181	Positioning date/time of equipment Date/time when equipment is positioned.
182	Issue date Date when a document/message has been or will be issued.
183	Date, as at Date related to a given context.
184	Notification date/time Date/time of notification.
185	Commenced tank cleaning date/time The date/and or time tank cleaning was started.
186	Departure date/time, actual (2280) Date (and time) of departure of means of transport.
187	Authentication date/time of document Date/time when the document is signed or otherwise authenticated.
188	Previous current account date Date of the previous current account.
189	Departure date/time, scheduled Date (and time) of scheduled departure of means of transport.
190	Transhipment date/time Date and time of the transfer of the goods from one means of transport to another.
191	Delivery date/time, expected Date/time on which goods are expected to be delivered.
192	Expiration date/time of customs document Date on which validity of a customs document expires.
193	Execution date The date when ordered bank initiated the transaction.
194	Start date/time Date/time on which a period starts.
195	Expiry date of import licence [2272] Date of expiry of the validity of an Import Licence.
196	Departure date/time, earliest

		Date/time of earliest departure of means of transport.
197	Lay-time first day	First of a number of days allowed in a charter party of the loading and discharging of cargo.
198	Lay-time last day	Last of a number of days allowed in a charter party for the loading and discharging of cargo.
199	Positioning date/time of goods	The date and/or time the goods have to be or have been positioned.
200	Pick-up/collection date/time of cargo	Date/time at which the cargo is picked up.
201	Pick-up date/time of equipment	Date/time at which the equipment is picked up.
202	Posting date	The date when an entry is posted to an account.
203	Execution date/time, requested	The date/time on which the ordered bank is requested to initiate the payment order, as specified by the originator (e.g. the date of the debit).
204	Release date (Customs)	Date on which Customs releases merchandise to the carrier or importer.
205	Settlement date	Date for settlement of financial transaction e.g. foreign exchange securities.
206	End date/time	Date/time on which a period (from - to) ends.
207	Commenced pumping ballast date/time	Date/time on which the intake of materials to be carried to improve the trim and the stability of the means of transport, was commenced.
208	Departure date/time, ultimate	Date/time at which a means of transport has to depart ultimately.
209	Value date	Date on which the funds are at the disposal of the beneficiary or cease to be at the disposal of the ordering customer.
210	Reinsurance current account period	Description to be provided.
211	360/30	Calculation is based on year of 360 days, month of 30 days.
212	360/28-31	Calculation is based on year of 360 days, month of 28-31 days.
213	365-6/30	Calculation is based on year of 365-6 days, month of 30 days.
214	365-6/28-31	Calculation is based on year of 365-6 days, month of 28-31 days.
215	365/28-31	Calculation is based on year of 365 days, month of 28-31 days.
216	365/30	Calculation is based on year of 365 days, month of 30 days.
217	From date of award to latest delivery	Lead time to determine the latest date a delivery can be made based on the date an award is

made.

218	Authentication/validation date/time Self explanatory.
219	Crossborder date/time Date/time at which goods are transferred across a country border.
221	Interest period Number of days used for the calculation of interests.
222	Presentation date, latest Latest date for presentation of a document.
223	Delivery date/time, deferred New date and time of delivery calculated on basis of a consignee's requirement (chargeable).
224	Permit to admit date Date on which permission was granted to move merchandise into a bonded warehouse or free trade zone.
225	Certification of weight date/time Date/time at which the carrier proceeds to the weighting of the goods.
226	Discrepancy date/time Date/time at which a discrepancy has been found.
227	Beneficiary's banks due date Date on which funds should be made available to the beneficiary's bank.
228	Debit value date, requested Date on which the account owner wants the debit value to his account.
229	Hoses connected date/time The date and/or time hoses were connected.
230	Hoses disconnected date/time The date and/or time hoses were disconnected.
231	Arrival date/time, earliest Date/time of earliest arrival of means of transport.
232	Arrival date/time, scheduled Date (and time) of scheduled arrival of means of transport.
233	Arrival date/time, ultimate Date (and time) of ultimate arrival of means of transport.
234	Collection date/time, earliest The transport order may be issued before the goods are ready for picking up. This date/time indicates from when on the carrier can have access to the consignment.
235	Collection date/time, latest In relation with the arrangements agreed between buyer and seller or between sender and main transport it may be necessary to specify the latest collection date/time.
236	Completed pumping ballast date/time Date/time at which the intake of materials, to be carried to improve the trim and the stability of the means of transport, was completed.
237	Completed tank cleaning date/time The date and/or time tank cleaning was completed.
238	Tanks accepted date/time The date and/or time the tanks are to be or have been accepted.
239	Tanks inspected date/time

The date and/or time the tanks are to be or have been inspected.

240	Reinsurance accounting period To identify a reinsurance account period via start and end dates. Note: This period is not the same as "reinsurance current account period".
241	From date of award to earliest delivery Lead time to determine the earliest date a delivery can be made based on the date an award is made.
242	Preparation date/time of document Date and/or time that the document was prepared.
243	Transmission date/time of document Self explanatory.
244	Settlement date, planned Self explanatory.
245	Underwriting year Year in which the treaty was commenced.
246	Accounting year Year considered for accounting of the treaty or portion of the treaty.
247	Year of occurrence Year in which a specific event (e.g. a loss) took place.
248	Loss Date, time, period on which a referenced loss occurred.
249	Cash call date Date on which a cash call was made for a loss suffered and covered.
250	Re-exportation date Date of re-exportation.
251	Re-importation date Date of re-importation.
252	Arrival date/time at initial port Date/time that the conveyance arrives at the initial port in the country of destination.
253	Departure date/time from last port of call Date/time that conveyance departed from the last foreign port of call.
254	Registration date of previous Customs declaration Registration date of the Customs declaration for the previous Customs procedure either in the same or another country.
255	Availability due date Date when ordered items should be available at a specified location.
256	From date of award to completion Lead time to determine the completion date of an effort based on the date an award is made.
257	Calculation date Self explanatory.
258	Guarantee date Date when a guarantee is placed.
259	Conveyance registration date Date when a vessel, vehicle or other means of transport was registered by a competent authority.
260	Valuation date (Customs)

Date when Customs valuation was made.

261	Release date/time
	Date/time assigned to identify the release of a set of rules, conditions, conventions, productions, etc.
262	Closure date/time/period
	Date/time/period when an enterprise is closed.
263	Invoicing period
	Period for which an invoice is issued.
264	Release frequency
	Frequency of a release.
265	Due date
	Self explanatory.
266	Validation date
	Self explanatory.
267	Rate/price date/time
	Date/time on which a rate/price is determined.
268	Transit time/limits
	Description to be provided.
270	Ship during date
	The date identifying the period during or in which the goods should be shipped.
271	Ship on or about date
	Date on or about which goods should be shipped.
272	Documentary credit presentation period
	The specification of the period of time, expressed in number of days, after the date of issuance of the transport document(s) within which the documents must be presented.
273	Validity period
	Dates (from/to)/period referenced documents are valid.
274	From date of order receipt to sample ready
	Lead time is the defined timespan.
275	From date of tooling authorization to sample ready
	Lead time is the defined timespan.
276	From date of receipt of tooling aids to sample ready
	Lead time is the defined timespan.
277	From date of sample approval to first product shipment
	Lead time is the defined timespan.
278	From date of order receipt to shipment
	Lead time is the defined timespan.
279	From date of order receipt to delivery
	Lead time is the defined timespan.
280	From last booked order to delivery
	Lead time is the defined timespan.
281	Date of order lead time
	Lead time is referenced to the date of order.
282	Confirmation date lead time
	Lead time is referenced to the date of confirmation.

283	Arrival date/time of transport lead time Lead time is referenced to the date a transport will arrive or has arrived.
284	Before inventory is replenished based on stock check lead time Lead time is the defined timespan.
285	Invitation to tender date/time Date/time on which the invitation to tender has been made available to relevant parties.
286	Tender submission date/time Date/time on which the tender was submitted.
287	Contract award date/time Date/time on which the contract is awarded to a tenderer.
288	Price base date/time Base date/time of prices.
289	Interest rate validity period Validity period of the interest rate.
290	Contractual start date/time Date/time on which activities stated in the contract must start.
291	Start date/time, planned Self explanatory.
292	Works completion date/time, planned Self explanatory.
293	Works completion date/time, actual Self explanatory.
294	Hand over date/time, planned Date/time on which hand over (i.e. the transfer of responsibility for an object or activity such as documentation, system etc. from one party to another) is planned to take place.
295	Hand over date/time, actual Date/time on which hand over (i.e. the transfer of responsibility for an object or activity such as documentation, system etc. from one party to another) actually takes place.
296	Retention release date/time Date/time on which the retention is released.
297	Retention release date/time, partial Date/time on which the retention is partially released.
298	Escalation start date Value date of the indexes appearing as denominators in an escalation formula.
299	Price adjustment start date Value date of the indexes appearing as denominators in a price adjustment formula.
300	Price adjustment limit date Limit value date of indexes used as numerators in a price adjustment formula.
301	Value date of index Date of validity of index values.
302	Publication date Self explanatory.
303	Escalation date Value date of indexes appearing as numerators in an escalation formula.
304	Price adjustment date

Value date of indexes appearing as numerators in a price adjustment formula.

305	Latest price adjustment date Date on which the latest price adjustment took place.
306	Work period Period of execution of works.
307	Payment instruction date/time Date/time on which a payment instruction was given.
308	Payment valuation presentation date/time Date/time on which the payment valuation is presented.
309	Blanks value date The date on which the funds are at the disposal of the receiving bank.
310	Received date/time Date/time of receipt.
311	On Fixed maturity day for deferred payment or time draft(s).
312	Ship not before and not after date/time Shipment(s) of goods is/are to be made not before the first specified date/time and not after the second specified date/time.
313	Order to proceed date Issue date of an instruction to start work.
314	Planned duration of works Self explanatory.
315	Agreement to pay date Date on which the debtor agreed to pay.
316	Valuation date/time Date/time of valuation.
317	Reply date Self explanatory.
318	Request date The date on which something was asked for.
319	Customer value date Date at which funds are taken into account for interest calculation (in debit or credit).
320	Declaration reference period Reference period of a set of items reported on the same declaration.
321	Promotion date/period Date/period relevant for specific promotion activities.
322	Accounting period Self-explanatory.
323	Horizon period Period forming a (planning) horizon.
324	Processing date/period Date/period a specific process happened/will happen.
325	Tax period Period a tax rate/tax amount etc. is applicable.
326	Charge period

Period a specified charge is valid for.

327	Instalment payment due date	
	Self-explanatory.	
328	Payroll deduction date/time	
	Date/time of a monetary deduction made from the salary of a person on a payroll.	
329	Birth date/time	
	Date/time when a person was born.	
330	Joined employer date	
	Date when a person joins an employer.	
331	Contributions ceasing date/time	
	Date/time when contributions cease.	
332	Contribution period end date/time	
	Date/time when a contribution period ends.	
333	Part-time working change date/time	
	Date/time when the proportion of part-time work changes.	
334	Status change date/time	
	Date/time when a status changes.	
335	Contribution period start date/time	
	Date/time when a contribution period commences.	
336	Salary change effective date	
	Date when a change in salary becomes effective.	
337	Left employer date	
	Date when a person leaves an employer.	
338	Benefit change date/time	
	Date/time when a benefit provided by a service provider is changed.	
339	Category change date/time	
	Date/time when a change of category is made.	
340	Joined fund date/time	
	Date/time when a person joins a fund.	
341	Waiting time	
	The period of time between the moment at which one wants an activity to begin and the moment at which this activity can actually begin.	
342	On-board date	
	The date goods have been loaded on board of a conveyance.	
343	Date/time of discount termination	
	Date/time when the deduction from an amount comes to an end.	
344	Date/time of interest due	
	Date/time when the interest has to be paid.	
345	Days of operation	
	Week days of operation.	
346	Latest check-in time	
	Latest time of check-in.	
347	Slaughtering start date	
	Date on which slaughtering commenced.	
348	Packing start date	

Date on which packing commenced.

| 349 | Packing end date |
| | Date on which packing completed. |

| 350 | Test start date |
| | Date when a test has been started. |

| 351 | Inspection date |
| | Date of inspection. |

| 352 | Slaughtering end date |
| | Date on which slaughtering completed. |

| 353 | Accounting transaction date |
| | Date to which an accounting transaction refers. |

| 354 | Activity period date range |
| | A specific date range associated with an activity. |

| 355 | Contractual delivery date |
| | The date of delivery contractually agreed between parties. |

| 356 | Sales date, and or time, and or period |
| | The date, and or time, and or period on which a sale took place. |

| 357 | Cancel if not published by this date |
| | Cancel if not published by this date. |

| 358 | Scheduled for delivery on or after |
| | Scheduled for delivery on or after the specified date, and or time. |

| 359 | Scheduled for delivery on or before |
| | Scheduled for delivery on or before specified date and or time. |

| 360 | Sell by date |
| | The date by which a product should be sold. |

| 361 | Best before date |
| | The best before date. |

| 362 | End availability date |
| | The end date of availability. |

| 363 | Total shelf life period |
| | A period indicating the total shelf life of a product. |

| 364 | Minimum shelf life remaining at time of despatch period |
| | Period indicating the minimum shelf life remaining for a product at the time of leaving the supplier. |

| 365 | Packaging date |
| | The date on which the packaging of a product took place. |

| 366 | Inventory report date |
| | Date on which a inventory report is made. |

| 367 | Previous meter reading date |
| | Date on which the previous reading of a meter took place. |

| 368 | Latest meter reading date |
| | Date on which the latest reading of a meter took place. |

| 369 | Date and or time of handling, estimated |
| | The date and or time when the handling action is estimated to take place. |

| 370 | Date when container equipment becomes domestic |

The date on which foreign-built container equipment has entered into the commerce of another country and has become domestic equipment.

371 Hydrotest date
The date equipment has been hydrotested.

372 Equipment pre-trip date
The date on which equipment is pre-tripped.

373 Mooring, date and time
Date and time of mooring.

374 Road fund tax expiry date
The date of expiry of the road fund tax.

375 Date of first registration
Date of first registration.

376 Biannual terminal inspection date
The date on which a biannual inspection of a terminal has taken or will take place.

377 Federal HighWay Administration (FHWA) inspection date
The date on which container equipment is to be or has been inspected in accordance with the requirements of the U.S. Federal Highway Administration.

378 Container Safety Convention (CSC) inspection date
The date on which container equipment is to be or has been inspected as per the Container Safety Convention (CSC).

379 Periodic inspection date
The date on which a periodic inspection has to take place.

380 Drawing revision date
Date the drawing revision has been allocated to a design.

381 Product lifespan at time of production
The total lifespan of a product at the time of its production.

382 Earliest sale date
The earliest date on which the product may be made available for sale.

383 Cancel if not shipped by this date
Cancel the order if goods not shipped by this date.

384 Previous invoice date
Indicates the date which was allocated to a previous invoice.

387 Repair turnaround time
Provides the period of time necessary to turnaround a given repair.

388 Order amendment binding date
The date when an order amendment becomes binding for both parties.

389 Cure time
Specifies the length of time that an article was or should be cured.

390 From date of award to delivery
Lead time to determine the delivery date based on the date an award is made.

391 From date of receipt of item to approval
Lead time to determine the date an item will be approved based on the date the item was received.

392 Equipment collection or pick-up date/time, earliest
Date/time on which equipment can be picked up at the earliest.

393 Equipment collection or pick-up date/time, planned

Date/time on which equipment can be picked up, either full or empty, according to a planning.

394	Equipment positioning date/time, actual	Date/time on which equipment was actually positioned (delivered).
395	Equipment positioning date/time, estimated	Date/time on which equipment is estimated to be positioned (delivered).
396	Equipment positioning date/time, requested	Date/time on which equipment is requested to be positioned (delivered).
397	Equipment positioning date/time, ultimate	Date/time on which equipment should be positioned (delivered) at the latest.
398	Goods collection or pick-up date/time, planned	Date/time at which goods can be picked up, according to a planning.
399	Goods positioning date/time, expected	Date/time on which goods are expected to be positioned.
400	Cargo release date/time, ultimate	Ultimate date/time at which goods or equipment should be released.
401	Container Safety Convention (CSC) plate expiration date	Date on which the validity of a Container Safety Convention (CSC) plate expires.
402	Document received date/time	Date/time on which the document was actually received.
403	Discharge date/time, actual	Date/time when the specified goods or transport equipment has or have been discharged from the means of transport.
404	Loading date/time, actual	Date/time when the specified goods or transport equipment has or have been loaded in or on the means of transport.
405	Equipment collection or pick-up date/time, actual	Date/time on which the equipment was actually collected.
406	Goods positioning date/time, planned	The date/time on which the goods will be positioned according to a planning.
407	Document requested date/time	Date/time on which the document is requested by a party.
408	Expected container hire from date/time	Estimated date and time when the containers are expected to go on-hire.
409	Order completion date/time, ultimate	Date/time on which the order should be completed at the latest.
410	Equipment repair ready date/time, ultimate	Ultimate date/time on which a piece of equipment must be repaired.
411	Container stuffing date/time, ultimate	Date/time on which the container stuffing should be completed at the latest.
412	Container stripping date/time, ultimate	Date/time on which the container stripping should be completed at the latest.
413	Discharge and loading completed date/time	Date/time when all discharge and loading operations on the transport means have been completed.
414	Equipment stock check date/time	Date/time on which equipment has been ascertained as being in stock.

| 415 | Activity reporting date |
| | The date applicable to the activity being reported. |

| 416 | Submission date |
| | The date of a submission. |

| 417 | Previous booking date/time |
| | Date/time at which the previous booking was made. |

| 418 | Minimum shelf life remaining at time of receipt |
| | The minimum shelf life remaining at the time of receipt. |

| 419 | Forecast period |
| | A period for which a forecast applies. |

| 420 | Unloaded, date and time |
| | To report the date and time that an unloading action occurred. |

| 421 | Estimated acceptance date |
| | To estimate the date of acceptance. |

| 422 | Documentary credit issue date |
| | The date the documentary credit has been issued. |

| 423 | First date of ordering |
| | The first date on which ordering may take place. |

| 424 | Last date of ordering |
| | The last date on which ordering may take place. |

| 425 | Original posting date |
| | Date when the entry was originally posted. |

| 426 | Reinsurance payment frequency |
| | The frequency of payments of reinsurance premiums. |

| 427 | Adjusted age |
| | The adjusted age used for purposes of calculation. |

| 428 | Original issue age |
| | The original issue age. |

| 429 | Coverage duration |
| | The period coverage has been in force. |

| 430 | Coverage issue date |
| | Date from which the anniversary coverage is measured. |

| 431 | Flat extra period |
| | Period for charging the additional extra. |

| 432 | Paid to date |
| | Date to which payments have been paid. |

| 433 | Reinsurance coverage duration |
| | The period for which reinsurance coverage has been in force. |

| 434 | Maturity date |
| | Date at which maturity occurs. |

| 435 | Reinsurance issue age |
| | The actual or equivalent age at time of issue. |

| 436 | Reinsurance paid-up date |
| | The date up to which the reinsurance has been paid. |

| 437 | Benefit period |

The period of time for which benefits are provided.

438	Disability wait period The period of time the insured must be disabled before reinsurance coverage becomes effective.
439	Deferred Period The period of time for which an activity has been postponed.
440	Documentary credit amendment date Date of amendment of a documentary credit.
441	Last on hire date Date the item was last placed on hire.
442	Last off hire date Date the item was last returned from hire.
443	Direct interchange date Date the item was directly interchanged.
444	Approval date Date of approval.
445	Original estimate date The date of the original estimate.
446	Revised estimate date The date the estimate was revised.
447	Creditor's requested value date Date on which the creditor requests to be credited.
448	Referenced item creation date Creation date of referenced item.
449	Date for the last update Date for the last update.
450	Opening date Date of opening.
451	Source document capture date Date source document data is entered into a business application.
452	Trial balance period Period covered by the trial balance.
453	Date of source document The date of the source document.
454	Accounting value date Date against which the entry has to be legally allocated.
455	Expected value date Date on which the funds are expected to be at the disposal of the beneficiary.
456	Chart of account period Period covered by the chart of account.
457	Date of separation Date of marital separation.
458	Date of divorce Date when two married persons are officially divorced.
459	Date of marriage

	Date when two persons are married.
460	Wage period, start date Date when a period of wage begins.
461	Wage period, end date Date when a period of wage ends.
462	Working period, start date Date when a period of work begins.
463	Working period, end date Date when a period of work ends.
464	Embarkation date and time Date and time at which crew and/or passengers board.
465	Disembarkation date and time Date and time at which crew and/or passengers disembark.
466	Time now date A time now date used for planning and scheduling purposes.
467	Holiday A date or period that is a break from work.
468	Non working To specify a non working date or period.
469	Start date or time, earliest The earliest date or time for starting.
470	Start date or time, latest The latest date or time for starting.
471	Finish date or time, earliest The earliest date or time for finishing.
472	Finish date or time, latest The latest date or time for finishing.
473	Start date or time, mandatory The mandatory date or time for starting.
474	Finish date or time, mandatory The mandatory date or time for finishing.
475	Start date or time, actual The actual date or time for starting.
476	Start date or time, estimated The estimated date or time for starting.
477	Completion date or time, estimated The estimated date or time for completion.
478	Start date or time, scheduled The scheduled date or time for starting.
479	Completion date or time, scheduled The scheduled date or time for completion.
480	Start date or time, not before The not before date or time for starting.
481	Start date or time, not after The not after date or time for starting.

482	Completion date or time, not before
	The not before date or time for completion.

483	Completion date or time, not after
	The not after date or time for completion.

484	Illness recovery date, expected
	Date when a person is expected to recover from illness.

485	Period of illness, start date
	Date when a period of illness began.

486	Period of illness, end date
	Date when a period of illness ends.

487	Decease date
	Date when a person died.

488	Benefit period, start date
	Date when a period of benefit begins.

489	Benefit period, end date
	Date when a period of benefit ends.

490	Selection period, start date
	Date when a period of selection begins.

491	Selection period, end date
	Date when a period of selection ends.

492	Balance date/time/period
	The date/time/period of a balance.

493	Benefit payments termination date
	To identify the date on which benefit payments have ceased.

494	Covered income period
	To identify the period over which covered income is measured.

495	Current income period
	To identify the period over which current income is measured.

496	Reinstatement date
	Identifies the date of reinstatement.

497	Definition of disability duration
	To identify the period for which the definition of disability applies.

498	Previous termination date
	Identifies the date of the previous termination.

499	Premium change period
	To identify the period of the premium change.

500	Off-hire survey date
	Date on which the equipment was surveyed at the end of the current leasing period.

501	In service survey date
	Date of survey of equipment while in use.

502	On hire survey date
	Date on which the equipment was surveyed at the beginning of the current leasing period.

503	Production inspection date
	Date of production inspection.

504	Overtime, start date

Date when a period of overtime begins.

505   Overtime, end date
Date when a period of overtime ends.

506   Back order delivery date/time/period
The date/time/period during which the delivery of a back order will take, or has taken, place.

507   Negotiations start date
The date on which negotiations started.

508   Work effective start date
The date on which work will effectively start.

509   Contract binding date
The date from which a contract becomes binding on the contracting parties.

510   Notification time limit
The time limit which has been set for a notification to take place.

511   Time limit
The time limit in which an event must take place.

512   Attendance date and or time and or period
Date and or time and or period of attendance.

513   Accident date and or time
Date and or time when an accident occurred.

514   Adoption date, actual
Actual date when adoption occurs.

515   Reimbursement claim issue date and or time
Date and or time when a reimbursement claim is issued.

516   Hospital admission date and or time
Date and or time of admission to a hospital.

517   Hospital discharge date and or time
Date and or time of discharge from a hospital.

518   Period of care start date and or time
Date and or time when a period of care starts.

519   Period of care end date and or time
Date and or time when a period of care ends.

520   Department admission date and or time
Date and or time of admission to a department.

521   Department discharge date and or time
Date and or time of discharge from a department.

522   Childbirth date and or time, actual
Actual date and or time of childbirth.

523   Prescription issue date and or time
Date and or time when a prescription was issued.

524   Prescription dispensing date and or time
Date and or time when a prescription was dispensed.

525   Clinical examination date and or time
Date and or time of clinical examination.

526   Death date and or time
Date and or time of death.

527	Childbirth date, estimated
	Estimated date of childbirth.

528	Last menstrual cycle, start date
	Date when the last menstrual cycle started.

529	Pregnancy duration, actual
	Actual duration of pregnancy.

530	Fumigation date and/or time
	The date/or time on which fumigation is to occur or has taken place.

531	Payment period
	A period of time in which a payment has been or will be made.

532	Average delivery delay
	The average delay between deliveries.

533	Budget line application date
	The date on which something has been applied to a budget line.

534	Date of repair or service
	The date of a repair or service.

535	Date of product failure
	The date the product failed.

536	Review date
	Date the item was or will be reviewed.

537	International review cycle start date
	Date the international review cycle starts.

538	International assessment approval for publication date
	Date the Data Maintenance Request (DMR) was approved for publication after completing international review.

539	Status assignment date
	Date a status was assigned.

540	Instruction's original execution date
	Original execution date for the instruction.

541	First published date
	Date when material was first published.

542	Last published date
	Date when material was last published.

543	Balance sheet date, latest
	Date of the latest balance sheet.

544	Security share price as of given date
	Date of the security share price.

545	Assigned date
	Date when assigned.

546	Business opened date
	Date opened for business.

547	Initial financial accounts filed date
	Date when the initial financial accounts were filed.

548	Stop work as of given date
	Date work stopped or will stop.

549	Completion date Date of completion.
550	Lease term, start date Start date of the lease term.
551	Lease term, end date End date of the lease term.
552	Start date, actual Actual date of start.
553	Start date, estimated Date of estimated start.
554	Filed date Date when filed.
555	Return to work date Date of return to work.
556	Purchased date Date of purchase.
557	Returned date Date return takes place.
558	Changed date Date change takes place.
559	Terminated date Date termination takes place.
560	Evaluation date Date evaluation takes place.
561	Business termination date Date the business terminates.
562	Release from bankruptcy date Date when an entity is released from bankruptcy status.
563	Placement date, initial Date of initial placement.
564	Signature date Date of signature.
565	Bankruptcy filed date Date when bankruptcy was filed.
566	End date, scheduled Date when activity is scheduled to end.
567	Report period Period covered by the report.
568	Suspended date Date of suspension.
569	Renewal date Date of renewal.
570	Reported date Date when reported.
571	Checked date

Date when checked.

572	Present residence, start date
	The beginning date of residence at present location.

573	Employment position, start date
	The start date of employment in a particular position.

574	Account closed date
	Date when account was closed.

575	Construction date, actual
	Date of actual construction.

576	Employment profession start date
	Start date of employment in a particular profession.

577	Next review date
	Date of next review.

578	Meeting date
	Date of the meeting.

579	Administrator ordered date
	Date when an administrator is ordered for a company.

580	Last date to file a claim
	Date after which no claim can be filed.

581	Convicted date
	Date when convicted.

582	Interviewed date
	Date of an interview.

583	Last visit date
	Date of last visit.

584	Future period
	Period in the future.

585	Preceding period
	Period preceding current period.

586	Expected problem resolution date
	Date when problem is expected to be resolved.

587	Action date
	Date of action.

588	Accountant's opinion date
	Date of an accountant's opinion.

589	Last activity date
	Date of last activity.

590	Resolved date
	Date when resolved.

591	Recorded date
	Date when recorded.

592	Date of birth, estimated
	The estimated date of birth.

593	Last annual report date
	Date of the last annual report.

594   Net worth date
            Date of net worth.

596   Profit period
            Period over which profit was earned.

597   Registration date
            Date when registered.

598   Consolidation date
            Date when consolidation occurred.

599   Board of directors not authorised as of given date
            As of this date the board of directors is not authorised.

600   Board of directors not complete as of given date
            As of this date the board of directors is not fully filled.

601   Manager not registered as of given date
            As of this date the manager is not registered.

602   Citizenship change date
            Date of citizenship change.

603   Participation date
            Date of participation.

604   Capitalisation date
            Date of capitalisation.

605   Board of directors registration date
            Date when the board of directors was registered.

606   Operations ceased date
            Date when operations ceased.

607   Satisfaction date
            Date when satisfaction was obtained.

608   Legal settlement terms met date
            Date when terms specified in the legal settlement were met.

609   Business control change date
            Date when a new authority took control.

610   Court registration date
            Date of registration in the court.

611   Annual report due date
            Date when annual report is due.

612   Asset and liability schedule date
            Date of the asset and liability schedule.

613   Annual report mailing date
            Date when the annual report was mailed.

614   Annual report filing date
            Date when the annual report was filed.

615   Annual report delinquent on date
            Date when annual report was considered delinquent.

616   Accounting methodology change date
            Date when accounting methodology was changed.

617   Closed until date

Date when again open.

618	Conversion into holding company date
	Date business was converted into a holding company.
619	Deed not available as of given date
	Date when deed was not available.
620	Detrimental information receipt date
	Date when detrimental information was received.
621	Construction date, estimated
	Estimated date of construction.
622	Financial information date
	Date of the financial information.
623	Graduation date
	Date when graduation occurs.
624	Insolvency discharge granted date
	Date when insolvency discharge was granted.
625	Incorporation date
	Date of incorporation.
626	Inactivity end date
	Date when inactivity ends.
627	Last check for balance sheet update date
	Date balance sheet was last checked to determine if update had taken place.
628	Last capital change date
	Date of last capital change.
629	Letter of agreement date
	Date of a letter of agreement.
630	Letter of liability date
	Date of a letter of liability.
631	Liquidation date
	Date of liquidation.
632	Lowest activity period
	Period of lowest activity.
633	Legal structure change date
	Date when legal structure was changed.
634	Current name effective date
	Date when current name became effective.
635	Not registered as of given date
	Date when not yet registered.
636	Current authority control start date
	Date when current authority took control.
637	Privilege details verification date
	Date when privilege details were verified.
638	Current legal structure effective date
	Date when current legal structure became effective.
639	Peak activity period
	Period of peak activity.

| 640 | Presentation to bankruptcy receivers date |
| | Date when presented to the bankruptcy receivers. |

| 641 | Resignation date |
| | Date of resignation. |

| 642 | Legal action closed date |
| | Date when the legal action was closed. |

| 643 | Mail receipt date |
| | Date mail was received. |

| 644 | Social security claims verification date |
| | Date when social security claims were verified. |

| 645 | Sole directorship registration date |
| | Date when sole directorship was registered. |

| 646 | Trade style registration date |
| | Date when trade style was registered. |

| 647 | Trial start date, scheduled |
| | Date when a trial is scheduled to begin. |

| 648 | Trial start date, actual |
| | Date when the trial actually started. |

| 649 | Value Added Tax (VAT) claims verification date |
| | Date when the Value Added Tax (VAT) claims were verified. |

| 650 | Receivership result date |
| | Date when the result of the receivership occurs. |

| 651 | Investigation end date |
| | The date when an investigation ended. |

| 652 | Employee temporary laid-off period end date |
| | The ending date of a period in which employees were temporarily placed out of work. |

| 653 | Investigation start date |
| | The date when an investigation began. |

| 654 | Income period |
| | The period of time in which income is earned. |

| 655 | Criminal sentence duration |
| | The period of time over which a criminal sentence applies. |

| 656 | Age |
| | The length of time that a person or thing has existed. |

| 657 | Receivables collection period |
| | The period of time over which receivable accounts are collected. |

| 658 | Comparison period |
| | The time period covered in a comparison. |

| 659 | Adjournment |
| | The period of time over which an adjournment is in effect. |

| 660 | Court dismissal date |
| | The date on which a court refused further hearing of a case. |

| 661 | Insufficient assets judgement date |
| | The date on which assets were judged to be insufficient. |

| 662 | Average payment period |

The average period of time over which money has been paid.

663	Forecast period start	
	The beginning of a forecast period.	
664	Period extended	
	Number of time units added to the original end date/time/period.

	The date and/or time on which the stuffing of transport equipment is to or has taken place.	
678	Transport equipment stripping date and/or time	
	The date and/or time on which the stripping of a transport equipment is to or has taken place.	
679	Initial request date	
	Date of an initial request.	
680	Period overdue	
	The period by which an event is overdue.	
681	Implementation date/time/period	
	A date/time/period within which an implementation is to take place.	
682	Refusal period	
	The period within which a refusal can be made.	
683	Suspension period	
	The period for which something is suspended.	
684	Deletion date	
	The date on which deletion occurs.	

685	First sale date and/or time and/or period
	The first date, and/or time, and/or period a product was sold.
686	Last sale date and/or time and/or period
	The last date, and/or time, and/or period a product was sold.
687	Date ready for collection
	A date on which an object is ready for collection.
688	Shipping date, no schedule established as of
	As at this date no valid shipping schedule has been established.
689	Shipping date and/or time, current schedule
	Shipping date and/or time as currently scheduled.
690	Suppliers' average credit period
	The average period of time that credit is extended by suppliers.
691	Advising date
	Date of advice.
692	Project over target baseline date
	The date an over target baseline was implemented for a project.
693	Established date
	Date when an entity was established or created.
694	Latest filing period
	Latest period for which a filing may be made.
695	Mailing date
	Date when an item may be mailed.
696	Date/time of latest accounts filing at public registry
	The latest date/time when financial accounts were filed at public registry.
697	Date placed in disfavour
	Date when placed in a disfavoured category or status.
698	Employment position start date, estimated
	Estimated start date of employment in a particular position.
699	Registered contractor number assignment date, original
	Date when a registered contractor number was originally assigned.
700	Ownership change date
	Date when ownership changes.
701	Original duration
	Original length of time.
702	Period between changes
	The period of time between changes.
703	From date of notice to proceed to commencement of performance
	Period of time from notice to proceed until performance commencement.
704	From date of notice to proceed to completion
	Period of time from date of notice to proceed until completion.
705	Period an event is late due to customer
	The period of time an event is late due to the actions of a customer.
706	File generation date and/or time
	Date and, or time of file generation.
707	Endorsed certificate issue date

Date on which a certificate, endorsed by signature or other agreed means, is issued.

| 708 | Patient first visit for condition |
| | The date of the first visit by a patient to a healthcare provider for this condition. |

| 709 | Admission date and/or time, expected |
| | Expected date and/or time of admission. |

| 710 | Symptoms onset, patient alleged |
| | Date and/or time of onset of symptoms according to the patient. |

| 711 | Accident benefit period |
| | To identify the period of time for which benefits are provided in the event of an accident. |

| 712 | Accident benefit age limit |
| | To identify the age to which benefits are provided to the insured in the event of an accident. |

| 713 | Accident lifetime benefit qualification age |
| | To identify the qualification age for lifetime benefits provided to the insured in the event of an accident. |

| 714 | Sickness benefit period |
| | To identify the period of time for which benefits are provided in the event of sickness. |

| 715 | Sickness benefit age limit |
| | To identify the age to which benefits are provided to the insured in the event of sickness. |

| 716 | Sickness lifetime benefit qualification age |
| | To identify the qualification age for lifetime benefits provided to the insured in the event of sickness. |

| 717 | Accident insurance elimination period |
| | To identify the period of time the insured must be disabled in the event of an accident for benefits to be payable by the ceding company. |

| 718 | Sickness insurance elimination period |
| | The period of time the insured must be disabled in the event of sickness for benefits to be payable by the ceding company. |

| 719 | Provider signature date |
| | Date when the provider signed. |

| 720 | Condition initial treatment date |
| | Date when initially treated for this condition. |

| 721 | Information release authorization date |
| | Date when the information was authorized to be released. |

| 722 | Benefit release authorization date |
| | Date when a benefit is authorized for release. |

| 723 | Last seen date |
| | The date when last seen. |

| 724 | Acute manifestation date |
| | The date the symptoms manifested themselves in an acute form. |

| 725 | Similar illness onset date |
| | The date of the onset of an illness similar to the illness currently being treated. |

| 726 | Last X-ray date |
| | The date the last X-ray was taken. |

| 727 | Placement date, previous |
| | The date something was previously placed. |

| 728 | Placement date |

The date something is placed.

729 Temporary prosthesis date
The date a temporary prosthetic device was provided.

730 Orthodontic treatment period, remaining
The period of time that the orthodontic treatment has remaining.

731 Orthodontic treatment period, total
The period of orthodontic treatment from beginning to end.

732 Maximum credit granted date
Date on which the highest credit was granted.
